

QUALITY POLICY STATEMENT

Multiflow Print Ltd is a digital and litho printing service provider offering quality, flexibility, and affordability. It is our philosophy is to make our customers life as easy as possible by offering a complete service with the highest standards and quality control.

Multiflow Print Ltd recognises that the disciplines of quality, health & safety and environmental management are an integral part of its management function. The company views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards.

Our Quality Policy calls for continuous improvement in its Quality management activities and business will be conducted according to the following principles:

We will:

- Comply with all applicable laws and regulations
- Provide excellent solutions and products to our customers, focused on their needs
- Establish, follow, and continually improve the quality management system
- Communicate this system within the company and where relevant to our key partners
- Periodically review this system to improve its effectiveness
- Involve our employees and key trading partners in the continual development process
- Learn from both the positive and negative outcomes of this measurement process, making improvements where appropriate
- Take due care to ensure that activities are safe for employees, associates and subcontractors
